113 It seems that I have been reassigned to the footmen . In this case, I will simply respond that the decision regarding the footmen's tasks is now out of my hands.

114

115 As per orders from the Emperor himself, I hand over to the Footmen:

116

117 "We are in charge of attending to the Emperor's personal footmen. This can include various tasks such as handling correspondence on their behalf or managing their schedule."

118

119 This will be handled by the Footmen in the future.

123 Please contact the Emperor directly if you wish to reach out again.
